

The Director  
Central Intelligence Agency

Washington, D.C. 20505

9 June 1980

Dear

Thank you very much for your thoughtful and kind note.

It was an honor for me to speak at the Citadel commencement. It was my hope to challenge the graduates to take an active part in the affairs of our nation and to assure them that their excellent Citadel education was one of the most important assets they will have in carrying out that role. I am pleased that you enjoyed my remarks.

I wish you also continued success in your important work.

Yours sincerely,

A handwritten signature in cursive script, appearing to read "Stansfield Turner".
